TURN BACK TIME

Reverse the Signs of Aging...Slow down the Aging Process
Come join us for this incredible event to introduce these amazing technologies.

Come and see a 10 minute demo of the Galvanic Spa, currently the rage in Europe. Plastic Surgeons, Spas and Salons cannot keep them on the shelves and they are now taking Canada by storm! You'll see why, when you witness the before & after! In addition, you will be personally scanned and experience the clinically proven and patented BioScan “health enhancement & lifetime monitoring” Program that is changing the way we measure, enhance and monitor health & aging!
